Terms and conditions for WVAG Courses

These must be read and agreed

All delegates must be registered MRCVS or RVNs.

The fee includes 24 hours of CPD; a set of course notes; one box of acupuncture needles; lunches, tea and coffee on all four days; access to a closed Yahoo group for ongoing advice, support and further information.

If registration numbers are not sufficient for the course to run, delegates will be informed within two weeks of the date of the start of the course and fees will be returned in full. WVAG can accept no responsibility for any other costs incurred.

The fee is non-refundable, but in the case of sickness or inability to attend any part of the course, transfers may be made to another course for that part missed. A fee to cover 'delegate rates' i.e. that charged by the venue for catering etc, may be charged.

The venues are chosen for the quality of the space and comfort for a practical course, but also need to allow access for animals. Very occasionally a venue may need to be changed at short notice. WVAG will undertake to notify all delegates as soon as possible of the change, but cannot be held liable for any additional costs to the delegates (travel, accommodation, locum fees etc) incurred as a result.

Please tick here if you would like to opt out of receiving information about future courses provided by WVAG or Longview CPD.
